

# California State University, Long Beach goes mobile!

Get our new StudentHealth app to access your CSU Long Beach ID card and benefits on the go.

The new StudentHealth app through Anthem Blue Cross gives you instant access to your CSU Long Beach benefits, ID card, and much more using your mobile device.

## Take just a few minutes to register for access to all your CSU Long Beach tools and resources

The StudentHealth app provides access to:

- Your member ID card
- Student Health Services (SHS) information
- A description of your plan benefits
- Health tips that are tailored to you
- [anthem.com/ca](http://anthem.com/ca) for medical claims, and much more!

## Questions?

California State University, Long Beach  
Customer Service: 1-800-888-2108

## Download the StudentHealth app today!

### From your mobile device or tablet go to:

The App Store<sup>SM</sup> or Google Play<sup>TM</sup> and search for the **StudentHealth app**. Tap **Register Now** and follow these easy steps:

1. Enter your first name, last name, your CSU Long Beach student ID number and your date of birth (mm/dd/yyyy), and then go to the next screen.
2. On the **Credentials** screen, select a username (typically firstname.lastname) or use the assigned one.
3. Create a password. A password must contain at least six characters including both a letter and a number. Now you can **Login** with your username and new password.

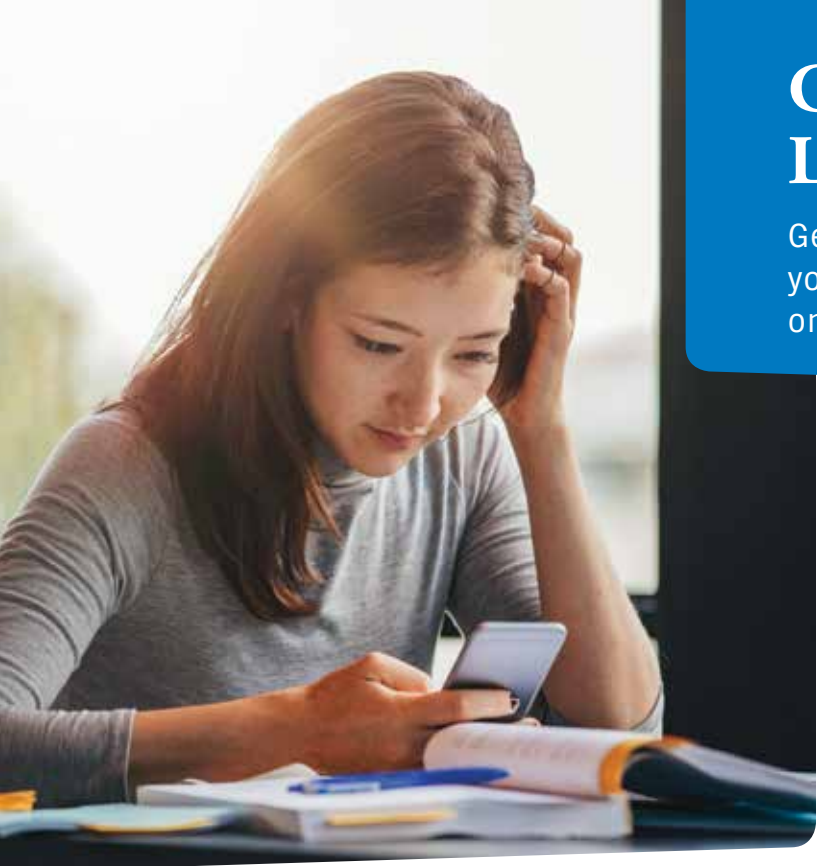

### From your computer:

Go to <https://mobilehealthconsumer.com/studenthealth>

Note: Be sure to include the "s" in: <https://>

1. Choose Register Now.
2. Then follow steps #1 through #3 as listed above.
