

SACRAMENTO STATE

INTERNATIONAL STUDENT INSURANCE PLAN SUMMARY

This is a medical plan only and does not include dental or vision insurance. Below are highlights of the plan benefits, as well as, important dates and costs of coverage. Please refer to the policy brochure for more detailed information and contact GeoBlue for questions about benefits at 844-268-2686.

WHO IS ELIGIBLE

All International F1 and J1 visa status students enrolled on the main campus are required to have the school sponsored plan and are automatically enrolled. A person who is an immigrant, permanent resident alien or U.S. Citizen is not eligible for coverage.

Students must actively attend classes on campus for the first 31 consecutive days after the effective date, except for school-authorized breaks. Remote courses such as home study, correspondence, and online courses do not fulfill this requirement. A once per lifetime medical withdrawal exception may be granted to students on school approved medical leave during the first 31 days of coverage. If it is determined that eligibility requirements have not been met, our only obligation is to refund premium, less any claims paid.

Dependent (Spouse/Child) coverage is NOT available on this plan.

ID CARDS

ID cards are electronic only! You will receive an email from GeoBlue at the start of each semester notifying you to download your ID card. You may also set up an account at www.geobluestudents.com to access your ID card any time. It is important to have your GeoBlue ID card with you whenever you receive medical care.

FIND A DOCTOR

Health services (SHCS) on campus is a convenient low-cost option for medical services and prescriptions. There is no copay or deductible at the health center. When you need off campus care, you should visit a PPO doctor in the Blue Cross Blue Shield network which will cost you less. Find a Blue Cross Blue Shield doctor:

1. Call (844) 268-2686 or go to www.geobluestudents.com
2. Select "Find a provider."
3. Enter your member ID or choose Blue Card PPO Basic
4. Search by name, specialty, procedure
5. Enter your ZIP code for location and press "GO."

In case of a life-threatening emergency call 911 or go to your local hospital emergency room.
