

Search for care as a new Blue Cross of Idaho member

Our Find Care tool makes it easy to find Blue Cross of Idaho in-network providers in your neighborhood and anywhere in the country.

Blue Cross of Idaho works with healthcare providers who agree to provide services at discounted rates to help save you money. Follow the steps below to find an in-network provider.

STEP 1: SELECT A NETWORK AND LOCATION

Visit bcidaho.com/findcare. Make sure **PPO** (Preferred Provider Organization) is selected from the Network drop-down menu. In the next field, enter a location where you want to get care.

Network
PPO (Preferred Provider ...

City, state or zip
Meridian, ID — 83680

STEP 3: REFINE YOUR SEARCH

Use filters to help narrow your search results. You can sort by location, gender, rating and more.

All Specialties

All Plans

All People & Places

All Gender

All Patient Ratings

Blue Quality Programs

More Filters

VIEW ONLY

☐ Accepting New Patients

☐ Primary Care Physician

Within 50 miles

STEP 2: SEARCH FOR A PROVIDER

Search for a provider by entering a name or specialty in the search bar. You can also start by selecting the type of care you are looking for, such as dental care or urgent care.

Search for People, Places and Medical Specialties

Common Searches: Primary Care Urgent Care Behavioral Health DME & Medical Supplies
