**Welcome
to Anthem
Student
Advantage**

As your new school year begins, it's important to understand your health care benefits and how they work. Your Anthem Student Advantage plan will help guide you through that process with information about who is eligible, what is covered, how much it costs, and the best ways to access care.

What you need to know about Anthem Student Advantage

Who is eligible?

- › All registered International students or scholars enrolled on the main campus are required to purchase this insurance plan.
- › A person who is an immigrant, permanent resident alien or U.S. Citizen is not eligible for coverage.
- › Students must actively attend classes on campus for the first 45 consecutive days after the effective date, except for school-authorized breaks.
- › A once per lifetime medical withdrawal exception may be granted to students on school-approved medical leave during the first 31 days of coverage.
- › All refund requests must be sent to the University who will confirm non-student status with JCB, and submit the refund request on behalf of the student. Only

refunds submitted by the University before the refund deadline will be considered. Credit card refunds must be requested and processed within 120 days of the date of purchase and before the refund deadline. No refunds will be considered after the refund deadline. All refunds will be processed back to the original form of payment only, no exceptions. All refunds will be assessed a \$35 processing fee. Please allow 30 business days for us to receive and process the refund request, then an additional 3-5 business days to receive your refund from your financial institution. Pro-rated/partial refunds are not allowed. NOTE: You can check to see if your refund has been processed by logging in to your JCB account.

Your summary of benefits

This summary of benefits is a brief outline of coverage, designed to help you with the selection process. This summary does not reflect each and every benefit, exclusion and limitation which may apply to the coverage. For more details, important limitations and exclusions, please review the formal Evidence of Coverage (EOC). If there is a difference between this summary and the Evidence of Coverage (EOC), the Evidence of Coverage (EOC), will prevail. Plan benefits are pending approval with the state and subject to change.

Notes

- › This Summary of Benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this Summary of Benefits. This Summary of Benefits, as updated, is subject to the approval of the California Department of Insurance and the California Department of Managed Health Care (as applicable).
- › In addition to the benefits described in this summary, coverage may include additional benefits, depending upon the member's home state. The benefits provided in this summary are subject to federal and California laws. There are some states that require more generous benefits be provided to their residents, even if the master policy was not issued in their state. If the member's state has such requirements, we will adjust the benefits to meet the requirements.
- › The family out-of-pocket maximum are embedded meaning the cost shares of one family member will be applied to the individual out-of-pocket maximum; in addition, amounts for all family members apply to the family out-of-pocket maximum. No one member will pay more than the individual out-of-pocket maximum.
- › All medical services subject to a coinsurance are also subject to the annual medical deductible.
- › Annual Out-of-Pocket Maximums includes deductible, copays, coinsurance and prescription drug.
- › In network and out of network deductible and out of pocket maximum are inclusive of each other. For plans with an office visit copay, the copay applies to the actual office visit and additional cost shares may apply for any other service performed in the office (i.e., X-ray, lab, surgery), after any applicable deductible.
- › Preventive Care Services includes physical exam, preventive screenings (including screenings for cancer, HPV, diabetes, cholesterol, blood pressure, hearing and vision, immunization, health education, intervention services, HIV testing) and additional preventive care for women provided for in the guidance supported by Health Resources and Service Administration.
- › For Medical Emergency care rendered by a Non-Participating Provider or Non-Contracting Hospital, reimbursement is based on the reasonable and customary value. Members may be responsible for any amount in excess of the reasonable and customary value.
- › If your plan includes an emergency room facility copay and you are directly admitted to a hospital, your emergency room facility copay is waived.
- › If your plan includes out of network benefit and you use a non-network provider, you are responsible for any difference between the covered expense and the actual non-participating providers charge.
- › Certain services are subject to the utilization review program. Before scheduling services, the member must make sure utilization review is obtained. If utilization review is not obtained, benefits may be reduced or not paid, according to the plan.
- › Certain types of physicians may not be represented in the PPO network in the state where the member receives services. If such physician is not available in the service area, the member's copay is the same as for PPO (with and without pre-notification, if applicable). Member is responsible for applicable copays, deductibles and charges which exceed covered expense.
- › Additional visits maybe authorized if medically necessary. Pre-service review must be obtained prior to receiving the additional services.
- › If your plan includes out of network benefits, all services with calendar/plan year limits are combined both in and out of network.
- › Transplants covered only when performed at Centers of Medical Excellence or Blue Distinction Centers.
- › Bariatric Surgery covered only when performed at Blue Distinction Center for Specialty Care for Bariatric Surgery.
- › Skilled Nursing Facility day limit does not apply to mental health and substance abuse.
- › Respite Care limited to 5 consecutive days per admission.
- › Freestanding Lab and Radiology Center is defined as services received in a non-hospital based facility.
- › Coordination of Benefits: The benefits of this plan may be reduced if the member has any other group health or dental coverage so that the services received from all group coverage do not exceed 100% of the covered expense.
- › Supply limits for certain drugs may be different, go to Anthem website or call customer service.
- › Certain drugs require pre-authorization approval to obtain coverage.

- › If Medically Necessary Prescription Drugs cannot be obtained from the Student Health Center, they may be obtained from an In Network retail Pharmacy. You will pay no more than the same cost sharing that you would pay for those same Drugs obtained from the Student Health Center.
- › This plan includes custom benefits that may supersede some of the information included in the Limitations and Exclusions list provided here. Please see your EOC for full details on your covered benefits.
- › For additional information on limitations and exclusions and other disclosure items that apply to this plan, go to https://le.anthem.com/pdf?x=CA_SH_PPO
