

# Keep your smile healthy and bright

With a dental plan from Anthem Student Advantage

Keeping up with dental checkups is just as important as you age as it was when you were a kid. Regular checkups not only keep your teeth healthy, but they also can detect more serious health problems. That makes having a dental plan a pretty bright idea – and Anthem Student Advantage makes it budget friendly.

## Who is eligible?

Any student can enroll in an individual dental plan. The benefits can only be used for yourself. Coverage for a spouse, child, or other dependent is not available.
