Wayne State University
International Student Health Insurance Plan
2024 – 2025

WHO IS ELIGIBLE FOR THE PLAN?

All F-1 and J-1 International Students and Scholars whose I-20 or DS-2019 was issued by Wayne State University must enroll in the WSU Student/Scholar Health Insurance Plan (IHIP) provided by Blue Cross Blue Shield of Michigan and managed by Gallagher Student Health. This insurance plan is also required for your F-1, F-2, J-1 and J-2 dependents. This includes Canadian F-1 students living in the US and J-1 Canadian students and scholars.

You can buy insurance on either a semester or annual basis and pay online via credit card or e-check. The annual policy coverage year runs from August 1 to July 31, so make sure to renew your insurance in time to retain your coverage.

The Health Insurance Advocate located within the Office of International Students and Scholars is responsible for processing all International Health Insurance enrollment applications and can also be contacted via email at oissinsurance@wayne.edu.

F-1 Students and J-1 Scholars and their Dependents will enroll in the insurance directly with Gallagher Student Health.

ID cards will be mailed out by Blue Cross Blue Shield on the plan effective date, or within 3 weeks of enrollment in the plan, whichever is later.

Coverage for dependents (spouse/children) is available online at www.jcbins.com.

COVERAGE PERIODS:

Open Enrollment

Coverage will become effective at 12:01 a.m. on the first day of the coverage period. All enrollments during the open enrollment period will be backdated to the start date of the period of coverage.

Qualifying Events

Enrollments will not be accepted after the open enrollment period unless there is a qualifying event (such as involuntary loss of other coverage). Enrollment must occur within 30 days of the qualifying event and accompany proof of the qualifying event. Coverage will become effective at 12:01 a.m. on the day following the payment. Premiums will not be pro-rated for enrollments taken after the open enrollment period.

Termination Date

Coverage terminates at 11:59 p.m. on the coverage end date indicated for the period purchased. There is no continuation coverage for this plan for students who are no longer eligible. We do not send termination or renewal notices. It is the Insured Person's responsibility to renew coverage, subject to continuing eligibility, in a timely manner. Eligibility requirements must be met each time premium is paid to renew coverage. Final decisions regarding coverage effective dates are made by the insurance company.

REFUNDS:

Once eligibility requirements have been met for the first 45 days of coverage, coverage will remain in force during the period for which premium has been paid, even if the student leaves school, obtains other coverage, or has a change in status. Refunds will ONLY be considered during the first 45 days of coverage and ONLY for students who drop out of school or enter full time active-duty military service. All refund requests must be sent to the University who will confirm non-student status with Gallagher Student Health and submit the refund request on behalf of the student. Credit card refunds must be requested within **120 days** of the date of purchase. No refunds will be considered after the refund deadline. All refunds will be processed back to the original form of payment only, no exceptions. All refunds will be assessed a $35 processing fee. Please allow 30 business days for us to receive and process the refund request, then an additional 3-5 business days to receive your refund from your financial institution. **Pro-rated/partial refunds are not allowed.**

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten. If your group is self-funded, please see any other plan documents your group uses. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Preauthorization for Specialty Services - Services listed in this BAAG are covered when provided in accordance with Certificate requirements and, when required, are preauthorized or approved by BCBSM except in an emergency.

Note: A list of services that require approval **before** they are provided is available online at **bcbsm.com/importantinfo**. Select *Approving covered services*.

Pricing information for various procedures by in-network providers can be obtained by calling the customer service number listed on the back of your BCBSM ID card and providing the procedure code. Your provider can also provide this information upon request.

Preauthorization for Specialty Pharmaceuticals - BCBSM will pay for FDA-approved specialty pharmaceuticals that meet BCBSM's medical policy criteria for treatment of the condition. The prescribing physician **must** contact BCBSM to request preauthorization of the drugs. **If preauthorization is not sought, BCBSM will deny the claim and all charges will be the member's responsibility**.

Specialty pharmaceuticals are biotech drugs including high cost infused, injectable, oral and other drugs related to specialty disease categories or other categories. BCBSM determines which specific drugs are payable. This may include medications to treat asthma, rheumatoid arthritis, multiple sclerosis, and many other diseases as well as chemotherapy drugs used in the treatment of cancer, but excludes injectable insulin.

Services from a provider for which there is no Michigan PPO network and services from an out-of-network provider in a geographic area of Michigan deemed a "low access area" by BCBSM for that particular provider specialty are covered at the in-network benefit level. If you receive care from a nonparticipating provider, even when referred, you may be billed for the difference between our approved amount and the provider's charge.

Specialty Pharmaceutical Drugs - The pharmacy for **specialty drugs** is AllianceRx Walgreens Pharmacy, an independent company. Specialty prescription drugs (such as Enbrel® and Humira®) are used to treat complex conditions such as rheumatoid arthritis, multiple sclerosis and cancer. These drugs require special handling, administration or monitoring. You may also obtain specialty drugs through a Walgreens retail pharmacy as long as the drug is available at that location. You may want to call ahead to confirm availability at the location. ***If you go to a non-AllianceRx Walgreens Pharmacy, you may be responsible for 100% of the cost of the specialty drug.*** A list of specialty drugs is available on our Web site at **bcbsm.com/pharmacy**. If you have any questions, please call AllianceRx Walgreens Pharmacy customer service at 1-866-515-1355.

We will not pay for more than a 30-day supply of a covered prescription drug that BCBSM defines as a "specialty pharmaceutical". We may make exceptions if a member requires more than a 30-day supply. BCBSM reserves the right to limit the quantity of select specialty drugs to no more than a 15-day supply for each fill. Your copay/coinsurance will be reduced by one-half for each fill once applicable deductibles have been met.

Select Controlled Substance Drugs - BCBSM will limit the initial fill of select controlled substances to a 5-day supply. Additional fills for these medications will be limited to no more than a 30-day supply. The controlled substances affected by this prescription drug requirement are available online at bcbsm.com/pharmacy.

Member's responsibility (copays and coinsurance amounts)

Note: Your prescription drug copays and coinsurance amounts, including mail order copays and coinsurance amounts, are subject to the **same** annual out-of-pocket maximum required under your medical coverage. The 25% member liability for covered drugs obtained from an out-of-network pharmacy will **not** contribute to your annual out-of-pocket maximum.

Features of your prescription drug plan

Custom Select Drug List	A continually updated list of FDA-approved medications that represent each therapeutic class. The drugs on the list are chosen by the BCBSM Pharmacy and Therapeutics Committee for their effectiveness, safety, uniqueness and cost efficiency. The goal of the drug list is to provide members with the greatest therapeutic value at the lowest possible cost. • **Generic drug tier** - This tier includes generic drugs made with the same active ingredients, available in the same strengths and dosage forms, and administered in the same way as equivalent brand-name drugs. They also require the lowest copay/coinsurance, making them the most cost-effective option for the treatment. • **Preferred brand-name drug tier** - This tier includes non-specialty preferred brand-name drugs. These drugs are more expensive then generic and members pay more for them. • **Nonpreferred brand-name drug tier** - This tier includes non-specialty brand-name drugs for which there's either a generic alternative or a more cost-effective preferred brand-name drug available. Members pay more for these nonpreferred brand-name drugs. • **Generic and preferred specialty drug tier** - This tier includes generic and preferred brand-name specialty drugs that are used to treat difficult health conditions. These drugs are generally more cost-effective than nonpreferred specialty drugs. • **Nonpreferred specialty drug tier** - This tier includes nonpreferred brand-name, specialty drugs that are used to treat difficult health conditions. Members pay more for nonpreferred specialty drugs because there are cost-effective generic or preferred drugs available.
Prior authorization/step therapy	A process that requires a physician to obtain approval from BCBSM **before** select prescription drugs (drugs identified by BCBSM as requiring prior authorization) will be covered. **Step Therapy**, an initial step in the Prior Authorization process, applies criteria to select drugs to determine if a less costly prescription drug may be used for the same drug therapy. This also applies to mail order drugs. Claims that do not meet Step Therapy criteria require prior authorization. Details about which drugs require Prior Authorization or Step Therapy are available online at **bcbsm.com/pharmacy**.
Maximum allowable cost drugs	When you receive a generic maximum allowable cost (MAC) drug from an in-network pharmacy, you pay your cost share as noted in your coverage. However, if you request a brand-name drug and the prescriber did not write "Dispense as Written" or "DAW" on the prescription, you must pay the difference between the maximum allowable cost and the Blue Cross Blue Shield of Michigan approved amount for the brand-name drug, plus your copayment. If the prescriber wrote "Dispense as Written" or "DAW" on the prescription, we will pay the pharmacy the approved amount for the brand-name drug, after deduction of your copayment.
Quantity limits	To stay consistent with FDA approved labeling for drugs, some medications may have quantity limits.

Dentist information
With Blue Dental PPO, you can choose any licensed dentist anywhere. However, you'll get the best coverage and save the most money when you choose a Tier 1 PPO (in-network) dentist.

You have outstanding access to thousands of Tier 1 PPO dentists across the country through the Blue Dental PPO network. Tier 1 PPO dentists agree to accept our PPO approved amount as full payment for covered services, so you'll pay your applicable coinsurance and deductible amounts. To find a Tier 1 PPO dentist near you, log into your member account at **bcbsm.com** or call **1-888-826-8152.**

If you go to a non-PPO dentist, you can still save money by choosing a Tier 2 participating non-PPO (out-of-network) dentist. Tier 2 dentists participate with us on a "per claim" basis through our Blue Par Select (BPS) arrangement. They accept our BPS approved amount as full payment for covered services, so you'll pay your applicable coinsurance and deductible amounts. To find a Tier 2 participating non-PPO dentist near you, log into your member account at **bcbsm.com**. You should ask your dentist if they participate with BCBSM before every treatment.

Note: If you go to a nonparticipating dentist, you are responsible for any difference between our approved amount and the dentist's charge.
